Dear Dr. Gray:

Thank you for sending back your signed Assignment and Declaration in the above-referenced matter. We have received signed documents from everyone, except Daniel Polikoff with a home mailing address of 3516 Barrett Ave., Richmond, CA. 94805. The initial request was sent on July 27, with a follow up reminder on August 21, 2001.

Do you know how to reach Mr. Polikoff in order to encourage him to sign and send in the completed documents? I thank you for any assistance which you can provide.

Very truly yours,

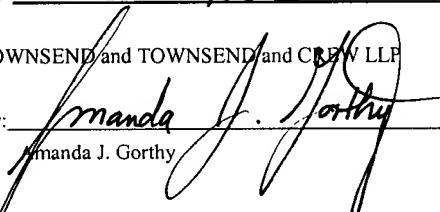

J. David Smith

Dear Joe:

In accordance with instructions from Candy Voelker, enclosed for your signature are a Declaration and Assignment for the above-referenced application. By copy of this letter, counterpart documents are being sent to the rest of the inventors for signature.

Enclosed for review with each copy of this letter is a copy of the application as filed on March 27, 2001. As you are aware, US patent laws require that the inventors review the application before signing the Declaration.

When you have completed your review, please execute the Declaration and the Assignment. As you and the other inventors may know, the Declaration and Assignment may bear the same date of execution, but in no instance may the Assignment predate the Declaration.

Please return the executed documents to us in the enclosed self-addressed Federal Express envelope as soon as possible. The final deadline for filing these papers in the USPTO is December 29, 2001. Failure to meet this deadline will result in abandonment of the application.
